How to Vote

Noteholders may either:

- attend the relevant Meeting and vote in person; or
- appoint a proxy to attend the relevant Meeting and vote on their behalf.

As the Notes are represented by a Permanent Global Note held by a common depository for Clearstream Banking, société anonyme, Luxembourg (“**Clearstream, Luxembourg**”) and Euroclear Bank S.A./N.V. (“**Euroclear**”), a Noteholder wishing to vote, whether in person or by proxy, must give appropriate

instructions to the Principal Paying Agent through the relevant clearing system (either directly or through the Noteholder's custodian).

Voting in person

If a Noteholder wishes to vote in person, it should instruct the relevant clearing system to request the Principal Paying Agent to issue a voting certificate in favour of such Noteholder. To be effective, complete instructions in the appropriate form must be received by the Principal Paying Agent no later than 48 hours before the scheduled time for the Meeting, which in practice means no later than May 4, 2009, at 2.00 pm (a “**Voting Instruction Deadline**”).

Voting by proxy

If a Noteholder does not wish to attend the relevant Meeting but wishes to vote by proxy, the Noteholder may instruct the relevant clearing system to request the Principal Paying Agent to issue a block voting instruction to a proxy of his choice, instructing such proxy to cast such vote(s) in the manner specified by such Noteholder. To be effective, complete instructions in the appropriate form must reach the Principal Paying Agent no later than the relevant Voting Instruction Deadline.

*Please note that Noteholders, whether wishing to vote in person or by proxy, will be required **both** (i) to complete a voting instruction form and deliver it to the Principal Paying Agent in accordance with the instructions contained therein **and** (ii) to give electronic voting instructions according to the procedures of the relevant clearing system. No voting instructions (whether for voting in person or for voting by proxy) may be given after the relevant Voting Instruction Deadline.*

Blocking of Accounts

Any Noteholder who wishes to obtain a voting certificate or have a proxy appointed in respect of their Note(s) must first and in any event not later than the relevant Voting Instruction Deadline:

- arrange for his Note(s) to be blocked in an account with Clearstream, Luxembourg or Euroclear; and
- arrange for such blocking instructions to be copied to the Principal Paying Agent, together with instructions to issue either a voting certificate or a block voting instruction (as appropriate).

Once so blocked, such Note(s) should not be released to the Noteholder by the relevant clearing system until:

- the conclusion of the relevant Meeting (or, if applicable, any Meeting convened following a further adjournment of such Meeting); or
- the surrender to the Principal Paying Agent of the voting certificate(s) and/or revocation of voting instructions.

Revocation or Amendment of Instructions

Any Noteholder who subsequently wishes to revoke or amend voting instructions already issued must instruct the relevant clearing system no later than 24 hours before the scheduled time for the Meeting (in practice, no later than May 5, 2009 at 2.00 pm). If any voting instruction form or notice of revocation or amendment is received after the prescribed time limit, the relevant Noteholder will be notified that the relevant form or notice is ineffective and will be disregarded.

Quorum

In respect of the Extraordinary Resolutions, the quorum for all Meetings is a clear majority in nominal amount of the relevant Notes for the time being outstanding validly represented or held by two or more

persons actually present at the relevant Meeting. If, within 15 minutes from the time fixed for any Meeting, a quorum is not present, such Meeting will be dissolved.
