THE CONSENT SOLICITATION

I. Background to and reasons for the Proposal

Pursuant to Condition 4 (*Negative Pledge*), letter (a), of the Terms and Conditions: “**Restrictions:** *So long as any of the Senior Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement):*

- (i) *the Issuer shall not create or permit to subsist any mortgage, charge, pledge, lien or other form of encumbrance or security interest (“Security”) upon the whole or any part of its undertaking, assets or revenues present or future to secure any Relevant Debt, or any guarantee of or indemnity in respect of any Relevant Debt;*
- (ii) *the Issuer shall procure that no other person creates or permits to subsist any Security upon the whole or any part of the undertaking, assets or revenues present or future of that other person to secure (x) any of the Issuer’s Relevant Debt, or any guarantee of or indemnity in respect of any of the Issuer’s Relevant Debt or (y) where the person in question is a Subsidiary (as defined in Condition 4(b)) of the Issuer any of the Relevant Debt of any person other than that Subsidiary, or any guarantee of or indemnity in respect of any such Relevant Debt; and*
- (iii) *the Issuer shall procure that no other person gives any guarantee of, or indemnity in respect of, any of its Relevant Debt unless, at the same time or prior thereto, the Issuer’s obligations under the Senior Notes, Receipts and Coupons (x) are secured equally and rateably therewith or benefit from a guarantee or indemnity in substantially identical terms thereto, as the case may be, or (y) have the benefit of such other security, guarantee, indemnity or other arrangement as shall be approved by an Extraordinary Resolution (as defined in the Agency Agreement) of the Senior Noteholders.”*

More in particular, pursuant to Condition 4 (*Negative Pledge*), letter (b), of the Terms and Conditions:

Definitions:

- 1) “**Relevant Debt**” means “*any present or future indebtedness in the form of, or represented by, bonds, notes, debentures, loan stock or other securities that are for the time being, or are capable of being, quoted, listed or ordinarily dealt in on any stock exchange, automated trading system, over-the-counter or other securities market, having an original maturity of more than one year from its date of issue and issued with a view to being distributed (in whole or in part) outside the Republic of Italy*”; and
- 2) “**Subsidiary**” means “*at any particular time, a company which is then directly or indirectly controlled, or more than 50 per cent. of whose issued equity share capital (or equivalent) is then beneficially owned, by the Issuer and/or one or more of its respective Subsidiaries. For a company to be “controlled” by another means that the other (whether directly or indirectly and whether by the ownership of share capital, the possession of voting power, contract or otherwise) has the power to appoint and/or remove all or the majority of the members of the Board of Directors or other governing body of that company or otherwise controls or has the power to control the affairs and policies of that company*”.

Pursuant to Article 7-bis of Law of April 30, 1999, No. 130 and the Bank of Italy’s relevant instructions, Italian banks are authorised to issue bonds backed by portfolios of certain eligible assets detailed in the law and implementing regulations.

In accordance with such legal framework, on July 31, 2008, the Financial Services Authority, which is the competent authority in the United Kingdom for the purposes of the Directive 2003/71/EC, approved a base prospectus concerning an Euro 10,000,000,000 covered bond programme established by UBI Banca. Under such programme, UBI Banca may, from time to time, issue bonds in relation to which UBI Finance S.r.l. (the “**Guarantor**”) has guaranteed payments of interest and principal pursuant to a guarantee which is collateralised by, *inter alia*, a pool of assets made up of a portfolio of mortgages assigned to the Guarantor by certain banks belonging to the UBI Banca Group. The Guarantor is a limited liability company (*società a responsabilità limitata*), incorporated under the laws of the Republic of Italy, whose outstanding capital is owned by UBI Banca, in an amount equal to 60% of the capital, and as to the remainder by a Dutch Stichting.

Moreover, pursuant to Article 1-*bis* of Law Decree of October 9, 2008, No. 155 (converted into Law of December 4, 2008, No. 190), the Republic of Italy, until December 31, 2009, may give its own guarantee (at market standard conditions) in the context of transaction carried out by Italian banks.

Accordingly, and in order to allow UBI Banca to issue any covered bonds or any other type of guaranteed bonds (including bonds guaranteed by the Republic of Italy), UBI Banca is seeking the consent of the Noteholders to delete the provisions of Condition 4 (*Negative Pledge*) of the Terms and Conditions. Additionally, as UBI Banca’s issuing programme does not contain a negative pledge provision, UBI Banca is seeking the consent of the Noteholders to the Proposal in order to standardize the terms and conditions of all the securities issued by UBI Banca.

2. *The Proposal*

The Noteholders of each Series are invited to approve the deletion of Condition 4 (*Negative Pledge*) of the Terms and Conditions in order to allow UBI Banca to issue any covered bonds or any other type of guaranteed bonds.

3. *Extraordinary Resolution*

Drafts of the Extraordinary Resolution to be considered at each Meeting are available for inspection and copying: (i) at the registered office of UBI Banca, whose registered address is specified on the last page of this document; (ii) on UBI Banca’s website at the following internet addresses <http://www.ubibanca.com> and <http://www.ubibanca.it> and (iii) at the specified office of the Fiscal Agent and the Paying Agent.

4. *Details of voting procedures*

(i) Extraordinary Resolution

As set forth under section “*Powers of meetings*”, paragraph 2 of the Rules, any proposal by UBI Banca concerning the modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders against UBI Banca, whether or not those rights arise under the Notes, must be sanctioned by means of an Extraordinary Resolution.

(ii) Arrangements for voting

All Noteholders will be entitled to attend and vote in person to the relevant Meeting. According to section “*Arrangements for voting*”, paragraphs 5-7 of the Rules, a Noteholder wishing to attend in person and vote at

a relevant Meeting must produce at the Meeting a valid voting certificate(s) issued by the Principal Paying Agent relating to the Note(s) in respect of which he wishes to vote.

In order to enable the Principal Paying Agent to issue the aforementioned voting certificate, the Notes are required to be deposited with the Principal Paying Agent or to the order of the Principal Paying Agent with a bank or other depositary nominated by the Principal Paying Agent at least 48 hours before the time fixed for the relevant Meeting. Notes so blocked will not be released until whichever is the earlier of the conclusion of the Meeting specified in such certificate and the surrender of the voting certificate(s) to the Principal Paying Agent who issued the same.

The voting certificate shall: (a) be drawn up in English language; (b) be dated; (c) specify the Meeting concerned and the serial numbers of the Notes deposited and (d) entitle, and state that it entitles, its bearer to attend and vote at that Meeting in respect of those Notes.

(iii) Block voting instruction

According to section “*Arrangements for voting*”, paragraphs 8-14 of the Rules, a Noteholder wishing the votes attributable to it to be included in a block voting instruction for the relevant Meeting, at least 48 hours before the time fixed for the relevant Meeting, must (i) deposit the Notes for that purpose with the Principal Paying Agent or to the order of the Principal Paying Agent with a bank or other depositary nominated by the Principal Paying Agent for the purpose and (ii) direct, also through a duly authorised person, the Principal Paying Agent how those votes are to be cast. The Principal Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.

The block voting instruction shall: (a) be drawn up in English language; (b) be dated; (c) specify the Meeting; (d) list the total number and serial numbers of the Notes deposited, pointing out with regard to the Extraordinary Resolution if voting for or against it; (e) certify that such list is in accordance with Notes deposited and directions received as provided in this paragraph (*Block voting instruction*); (f) appoint a named person (hereinafter the “**proxy**”) to vote at that Meeting in respect of those Notes and in accordance with that list. A proxy need not be a Noteholder.

Once the Principal Paying Agent has issued a block voting instruction for a Meeting in respect of the votes attributable to any Notes: (a) it shall not release the Notes, except as provided below, until the Meeting has been concluded and (b) the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the Meeting.

If the receipt for a Note deposited with the Principal Paying Agent is surrendered to the Principal Paying Agent at least 48 hours before the time fixed for the Meeting, the Principal Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.

Each block voting instruction shall be deposited at least 24 hours before the time fixed for the Meeting at the specified office of the Fiscal Agent or such other place as UBI Banca shall designate or approve, and in default it shall not be valid unless the chairman of the Meeting decides otherwise before the Meeting proceeds to business.

A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders’ instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the Principal Paying Agent by the Fiscal Agent at its specified office or such other place as may have been specified by UBI Banca for the purpose or by the chairman of the Meeting in each case at least 24 hours before the time fixed for the Meeting.

No Note may be deposited with or to the order of the Principal Paying Agent at the same time for the purposes of both issuance of a voting certificate and inclusion in a block voting instruction for the same Meeting.

(iv) Chairman

Pursuant to section “*Chairman*”, paragraph 16 of the Rules, the chairman of a Meeting shall be such person as UBI Banca may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting, the Noteholders or agents present shall choose one of their number to be chairman, failing which UBI Banca may appoint a chairman. The chairman need not be a Noteholder or agent. The chairman of an adjourned Meeting need not be the same person as the chairman of the original Meeting.

(v) Attendance

Pursuant to section “*Attendance*”, paragraph 17 of the Rules, only the following may attend and speak at a Meeting: (a) Noteholders and agents, (b) the chairman, (c) UBI Banca, and the Fiscal Agent (through their respective representatives) and their respective financial and legal advisers and (d) the dealers and their advisers. No-one else may attend or speak.

(vi) Quorum and Adjournment

Pursuant to section “*Quorum and Adjournment*”, paragraph 18 of the Rules and Condition 11 (*Meeting of Noteholders and Modifications*) of the Terms and Conditions, the quorum for the First Meeting shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding. At the Second Meeting, or any adjourned meeting, the quorum shall be two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented. Should the Extraordinary Resolution duly pass, it shall be binding on Noteholders (whether or not they were present at the Meeting at which the Extraordinary Resolution was passed) and on all Couponholders.

In accordance with section “*Quorum and Adjournment*”, paragraphs 18 and 20 of the Rules, no business (except choosing a chairman) shall be transacted at a Meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the Meeting, it shall be adjourned and the Second Meeting will be convened. Moreover, the chairman may with the consent of (and shall if directed by) a Meeting adjourn the Meeting from time to time and from place to place. Only business which could have been transacted at the original Meeting may be transacted at a Meeting adjourned in accordance with the above.

(vii) Voting

Pursuant to section “*Voting*”, paragraphs 22-27 of the Rules, each question submitted to a Meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, UBI Banca or one or more persons representing 2 per cent. of the relevant Notes.

Unless a poll is demanded, a declaration by the chairman that the Extraordinary Resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it. If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairman directs. The result of the poll shall be deemed to be the Extraordinary Resolution of the Meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the Meeting continuing for the transaction of business other than the question on which it has been demanded.

A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.

On a show of hands, every person who is present in person and is the holder of a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote in respect of each nominal amount equal to the minimum specified denomination of such Series of Notes so produced or represented by the voting certificate so produced or for which he is a proxy or representative. Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.

In case of equality of votes, the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

5. *Governing law*

The Proposal and any voting instructions given in connection with the Proposal shall be governed by, and constructed in accordance with, English law.

GENERAL

Copies of the Extraordinary Resolution, Agency Agreement and Terms and Conditions marked to indicate all of the changes that will be made if the Extraordinary Resolution relating to each Series of Notes is passed are available from the date of this Consent Solicitation Memorandum to the conclusion of the Meetings (or any adjourned Meeting) on UBI Banca's internet website (<http://www.ubibanca.com> and <http://www.ubibanca.it>) and at the specified offices of the Fiscal Agent and the Paying Agent.

To the extent that this Consent Solicitation Memorandum is a summary of certain provisions of the Extraordinary Resolution or the Agency Agreement, it is subject to (and is qualified in its entirety by reference to) the detailed provisions in such documents.
