Proxy form and Voting instructions to Computershare S.p.A.

Instructions for filling in and submitting the form

1. The **Proxy form** must be notified to the Company (together with the documentation providing proof of the signatory power as per the following point) via the Appointed Representative together with the **Voting Instructions reserved to him** within **5th April 2017**, using one of the following alternative methods:
 - by filling the proxy form online through the company website, provided that the delegating party, even if he is a legal person, make use of its own e-mail box in order to receive “user and password” for filling in and submitting the form, or
 - as an attachment in PDF format to an e-mail sent to ubi@pecserviziitolitoli.it provided that the attachment is signed by an advanced, qualified or digital signature, pursuant the Italian “digital code law” or, failing that, through a secure (certified) e-mail box of the delegating party, even if he is a legal person, or
 - by fax: no. +39 011 0923202, or
 - in original to Computershare S.p.A., Via Nizza 262/73, 10126, Turin, Italy.
2. Specify the capacity of the proxy signatory and, where applicable, attach documentary proof of his power.
3. To be completed only if the registered shareholder is different from the proxy signatory; mandatory indications on relevant personal details must be included.
4. Provide the securities account number, Bank Codes and Branch Codes of the Depository, or in any case its name, available in the securities account statement.
5. Reference to the communication made by the intermediary and its name.
6. Provide details of a valid form of identification of the proxy signatory.
7. Provide the name and surname of the signatory of the Proxy form and Voting instructions.
8. Pursuant to article 135-undecies, subsection 3, of Italian Legislative Decree no. 58/1998, “Shares for which full or partial proxy is conferred are calculated for the purpose of determining due constitution of the shareholders’ meeting. With regard to proposals for which no voting instructions are given, the shares of the shareholder concerned are not considered in calculating the majority and the percentage of capital required for the resolutions to be carried”.
9. The resolutions proposed to the shareholders’ meeting, which are briefly referred to herein, are reported in the Reports published on the company website www.ubibanca.it .
Computershare S.p.A., as Appointed Representative, has not personal interest or on behalf of third party in the proposals mentioned, however, in the event of unknown circumstances or in the event of amendment or integration to the motion presented to the meeting, Computershare does not intend to vote in a manner incompatible with the instructions received in Sections A, B and C.
The vote is expressed by ticking the relevant box between the following: **F** (for), **C** (against) or **A** (abstention).
10. If the Section A2 is on the form, it collects instructions when an **alternative, complementary** or **additional** resolution to the motion proposed by the Management Board and Supervisory Board had been presented and published, within the term and in the cases provided. The Appointed Representative shall vote on each motion in accordance with the instructions and the delegating party shall give instructions consistent with the type of proposals (alternative or complementary) published.
11. If any resolutions not provided in the proposals published as required by law, the Appointed Representative won’t be able to vote without instructions. Therefore, should circumstances of importance which amend or integrate published resolutions occur, which were unknown at the time of issue of the proxy, which cannot be provided to delegating party and could modify the voting instructions, one of the following options may be chosen in sections B and C: **Conf** (confirm), **Canc** (cancel) or **Mod** (modify) the voting instruction already expressed. If no choice is made, the voting instructions in Section A are confirmed.
Particularly, if a motion that take the place of the published one is put to a vote or if an alternative resolution to the previously that did not obtain the majority of for-votes required for its approval is proposed, the delegating party shall give voting instructions in Section C which replace or integrate those of Section A.
12. The various voting intentions expressed in relation to the proponents’ identity may be identical to each other but such instructions are binding on the Appointed Representative who shall vote only if the proponent’s identity is as indicated in the relevant voting instructions.
In the **absence** of a proposal presented by the Management Board and Supervisory Board, an **integrative** proposal presented to the meeting shall be approved. Therefore, the voting instructions are collected by the Appointed Representative in Section C as solely vote instruction on the proposals presented to the meeting by the proponents specified in that section.
13. Indicate the number of the proposal (as provided on the Company website) that you want to vote “for” or indicate your preference to vote against (C) or to abstain (A) which will apply to all proposals. If only one proposal is presented, the voting instructions will relate to that one.
